

Chairs

Hidemitsu Furukawa
Department of Mechanical Systems Engineering, Yamagata University Japan.

Ajit Khosla
Department of Mechanical Systems Engineering, Yamagata University Japan.

Convener

Shri Prakash Mani Tripathi
Vice-Chancellor, IGNTU, India.

Plenary Speakers

Anil Sahasrabudhe
AICTE Chairman India.

Thomas Thundat,
University of Buffalo, United States.

Ravindra Pratap Singh
IGNTU, India.

Amarendra Pratap Singh
IGNTU, India.

Tarun Kumar Thakur
IGNTU, India.

Promoting Female Contributions

KAWAI Hisako
Faculty of Science, Yamagata University, Japan

Pratima Solanki
Special Centre for Nano Sciences Jawaharlal Nehru University, Delhi, India.

Chongdee T. Buranachai
Director, Center of Excellence for Trace Analysis and Biosensor), Prince of Songkla University, Thailand

Manuela Gertrud Hartwig
National Institute for Environmental Studies, Earth System Division, Japan.

Karolin Jiptner
Faculty of Engineering, Yamagata University, Japan. Member of YU-SDG task force

Women in SDG Award Sponsored by American Chemical Society

Conference Tracks- Covering all 17 SDGs

- Sustainable Food Security | Societies Sustainable food & Agriculture | Land & Underwater
- Natural Science| Physics | Chemistry | Mathematics | Covering all aspects
- Biology | Covering all aspects
- Environmental Sciences | Covering all aspects
- Sensors, Wearable Devices & Flexible Electronics | Covering all aspects
- Energy Conversion & Storage| Dedicated session on all aspects of batteries and energy storage
- Materials, Micro & Nanosystems
- Sustainable Engineering | Electronics | Electrical | CSE & IT | Mechanical | Industrial & System Engineering | Civil & Structural Engineering| Smart Industries | Additive Manufacturing: 3D & 4D printing + Robotics|
- Sustainability Management & Humanities | Covering all aspects
- General session: Technologies For Smart Green Connected Societies.

Student Awards total 20: Best oral and poster presentation award for each conference track \$50 each with certificate Sponsored by ACS

Important Dates

- **Last day** for abstract submission: 30.09.2021 (will be extended up to October 15)
- **Acceptance:** 5.10.2021
- **Registration:** 5.10.2021-26.10.2021
- **Abstracts online:** 25.10.2021
- **Submission ECS Transactions: SCOPUS Indexed Proceedings:** 26.10.2021 to 15.12.2021
- **Conference:** 29-30.11.2021
- **Final Published Volume online:** 25.02.2022

Registration Fee

- **Students:** 35 USD / ₹ 2500 / JPY 3950 / RMB 270
 - **Post Docs:** 68 USD / ₹ 5000/ JPY 7500/ RMB 500
 - **Faculty:** 85 USD / ₹ 6200 / JPY 9400 / RMB 635
- For further details please check:**
<https://www.ictsgs.com/author-instructions>
- **Template and submission link for abstract** can be found at:

Advancing solid state & electrochemical science & technology

Dear Professors, Faculty members & students;

Indira Gandhi National Tribal University, India is an active partner of the ICTSGS, which is being conducted by Yamagata University Japan: The First International Conference on Technologies for Smart Green Connected Societies on 29th and 30th November 2021.

The conference ICTSGS-1 shall be chaired and headed by Prof. Dr. Hidemitsu Furukawa and Prof. Dr. Ajit Khosla of the Yamagata University Japan.

The theme of the conference is Sustainable Development Goals (SDG's) of the United Nations (UN). The conference aims at bring together the budding scientists, academia & researchers, industry and UN delegates on one platform. The conference aims at building an ecosystem of Indian researchers and provide them with a global visibility.

Actively participate in this conference by submitting your research work in the form of research articles and be a part of this ecosystem. All the selected proceedings will be published in the ECS transactions (IOP Science publishing) a SCOPUS indexed proceedings with an H-index=52 and cite score=1.1, furthermore these proceedings are recognized by the NIRF. For other details including—topics, speaker profiles, templates and registration fee please refer to the website: www.ictsgs.com/

Type of Submissions

Research work, perspectives or mini review, detailed review, technical note, PhD/PG/UG project work as a technical report, work carried under experiential working.

Types of Presentations

Oral, poster, e-poster presentation, recorded video presentation.

Contact Persons

Our proposed liaison person is Dr. Ravindra Pratap Singh (Department of Biotechnology), Prof. Amarendra Pratap Singh (Department of Business Management), Prof. Tarun Kumar Thakur (Department of Environment Sciences) of the Indira Gandhi National Tribal University, Amarkantak, M.P (INDIA).

With Warm regards
